

ARE YOU LOOKING FOR A CHURCH WHERE YOU CAN BE YOUR MOST AUTHENTIC SELF?

Wichita United Church of Christ may be what you are looking for!

WHY DOES MEMBERSHIP MATTER?

When you join a church in the United Church of Christ, it's a promise of belonging. New members and the current congregation make a promise to be in relationship with each other, and with God. Every member has an equal share in the decisions of the church, and an equal responsibility to share in the work of the church.

Of course, some people who journey with us have chosen not to make that commitment official. Official membership has one significant purpose – voting in the big decisions of being a church: setting direction for the community, calling a pastor, choosing our leaders, and spending our shared financial resources.

WANT TO JOIN WICHITA UCC?

The first step is a conversation with the pastor, to learn more about the United Church of Christ and this church specifically. There are new member classes offered at different times of the year to learn more about the church as well.

Officially joining Wichita UCC happens during a ceremony during worship. This is when you promise to be a part of the congregation, and the congregation promises to welcome and support you as we seek to be the Church together.
